Juvenile detentions in Cheshire

Cheshire police take every opportunity to ensure the arrest of juveniles (anyone under 18 years of age) is kept to an absolute minimum. In basic terms the arrest of a juvenile is seen as the last resort after all other options have been considered.

- The majority of young persons arrested in Cheshire are aged 17 years.
- All operational staff have been trained in PACE Code G, "necessity criteria" for arrest.
- All young persons will have an appropriate adult allocated to them.
- Cheshire Police provide dedicated cells for Juveniles, equipped with toilet and washbasin, CCTV and are located closest to the Custody Sgt.
- All young persons in Custody are automatically referred to the custody Health care practitioner for a welfare review.
- Young persons detained in Custody are prioritised to ensure they spend as little time in custody as possible.
- Dedicated reading material is available for use by young persons.

Total number of arrests of young persons which resulted in an overnight detention in December 2016 – 31 (1.9% of total arrests made).

During December 2016 there were five overnight detentions that fitted the criteria (in accordance with the established joint agency protocol) for requests to be made to the Local Authority for alternative accommodation. Four requests were made for secure accommodation and one request was made for non secure accommodation, none of which, resulted in being accommodated

*Overnight detention defined as more than 4 hours in police detention between the hours of midnight and 8am
